Frank, (Stamp)  
 We had a  
 good time in W. Geog.  
 this year, I hope to see you  
 over the summer, maybe next  
 year I'll have you in more classes.  
 and remember, the baby is sleeping.  
 class of  
 "85" rules!

Doug  
 Hermann

Frank,  
 We had a good time giving  
 Novice a hard time in  
 English this year. Just  
 think if we get Mayer  
 I heard she even a  
 bigger joke. Do me  
 a favor and ask your  
 sister if she still likes  
 me. When you find  
 out the answer give  
 me a call (582-0280)

Your pal,

P.S. I'm going to bowl  
 on the Monday league  
 next year at Marzano's.

Good Luck during  
 Summer. I hope to see  
 in my Gym class next  
 year. Leron

# INVTUS

Out of the night that covers me,  
 Black as the pit from pole to pole,  
 I thank whatever gods may be  
 for my unconquerable soul  
 In my fell clutch of circumstance  
 I have not winced nor cried aloud.  
 Under the bludgeonings of chance  
 My head is bloody but unbowed.  
 Beyond this place of wrath and tears  
 Looms but the horror of the shade,  
 And yet the menace of the years  
 finds, and shall find me, unafraid.  
 It matters not how strait the gate,  
 how charged with punishments the scroll,  
 I am the master of my fate:  
 I am the captain of my soul.

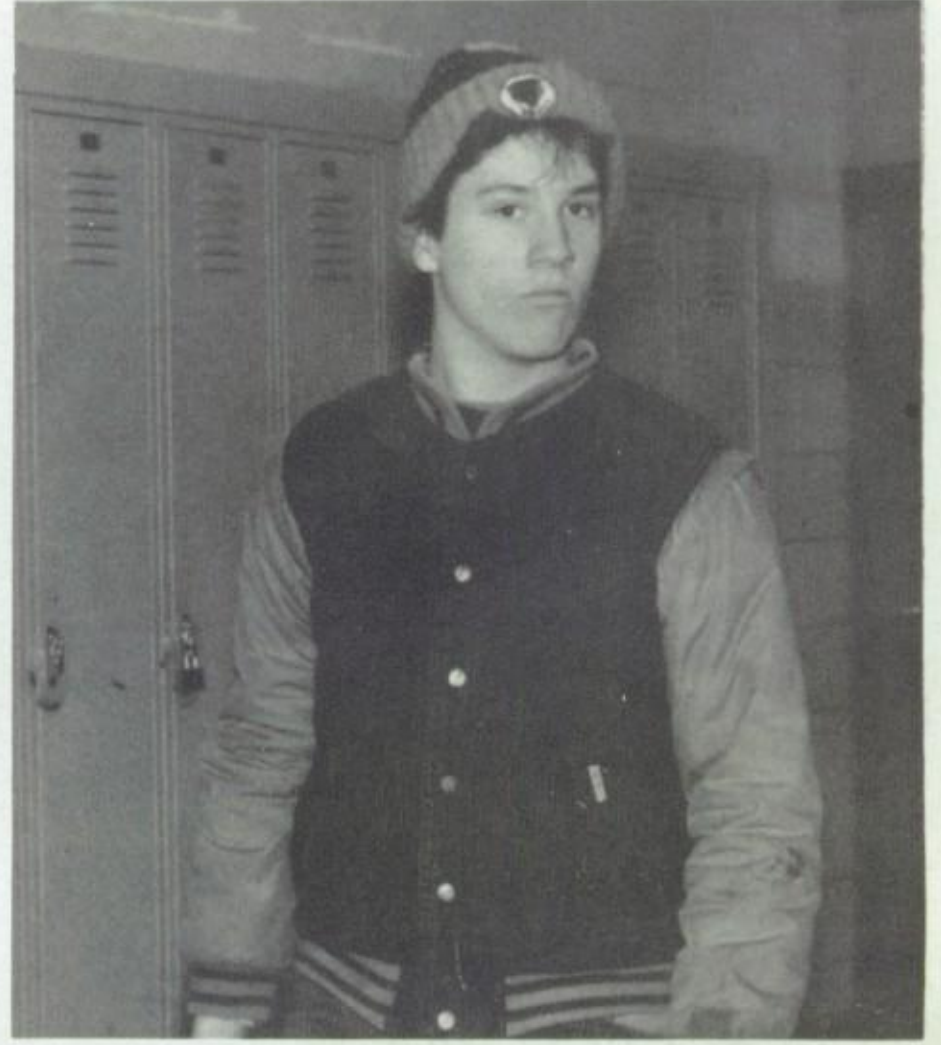

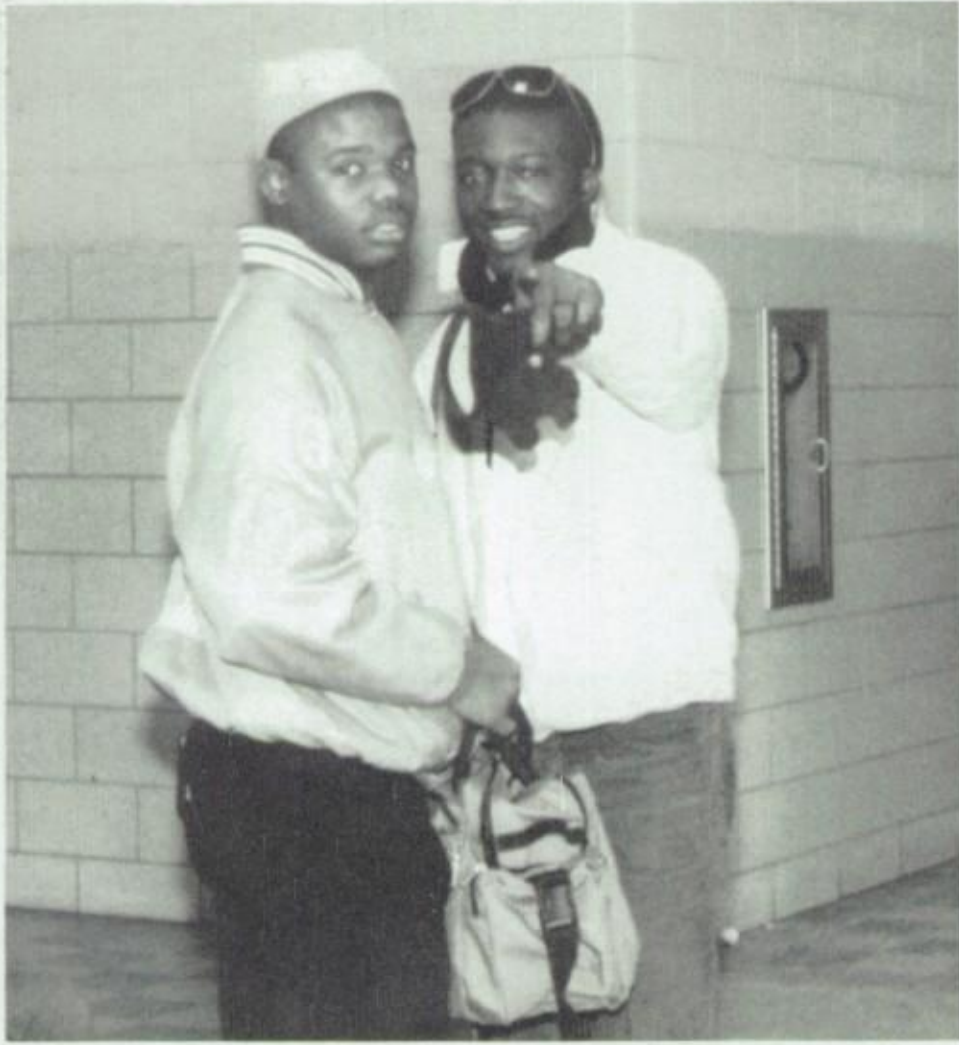

William F. Henley

Seniors have a special spirit that no other class has. They experience things that they had never before. Seniors feel both older and younger. They are older because they are closer to the main event of high school, which is graduation. They are younger because they will soon face even tougher challenges in the future. To be a Senior is a joy that can never be replaced but will always be remembered.

# JUNIORS

Being a junior is a much sought after dream in high school life. It is the year of getting class rings that show off many activities and how proud they are of their accomplishments. Juniors also experience their first prom. There is also the election of Junior Class Officers. Finally, this is the year to start thinking of graduation, college, and going through the torment of the infamous ACT test.

# SOPHOMORES

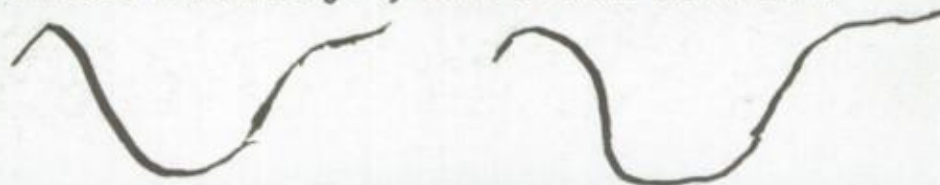

### CLASS OF 1988

As a sophomore you still are learning more and more about the high school atmosphere. You have already made a lot of friends and now you are able to call all the freshmen "bennies". As a sophomore, like a freshman you still ask many questions.—"When do I get my license?"; "Who's Mr. Gawell?"; "Why do we need chemistry?"; "Who's that bennie?".

Class of 1989

As freshman , you discover a new change of pace -- running through the halls to get to class on time , making new friends , and most of all trying not to act like a "benny". We also ask a lot of questions. Such as "Where is the attendance office?", "What's a K.P.?", "Who's Mr. Lewis?", "Did you read Great Expectations ?", and "When does the bell ring?"

The theme for Homecoming 1985 was "At the Hop, Rock Around the Clock," and during the parade and halftime, Kennedy students and faculty brought the 50's back to life.

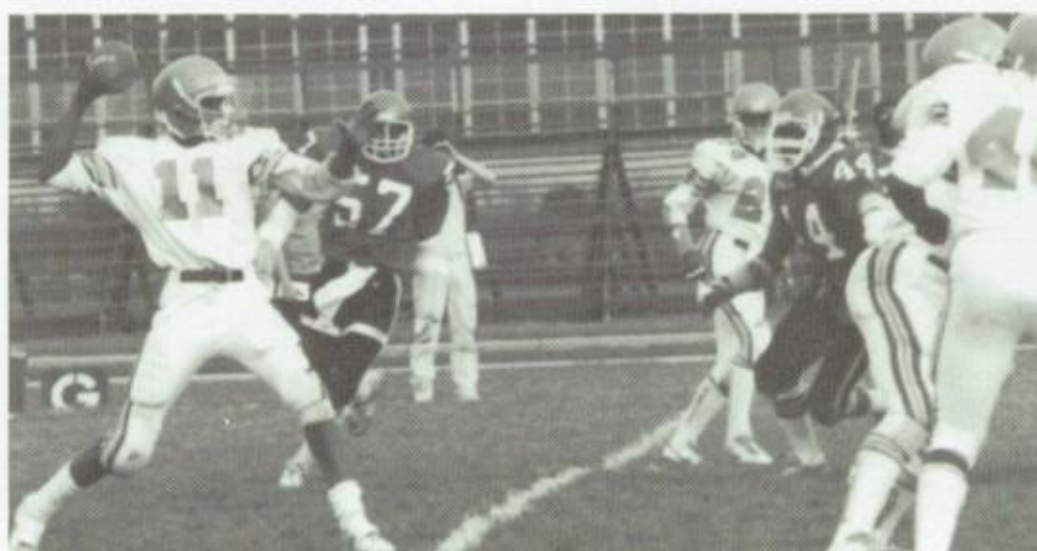

The parade stepped off at 11:00 following the traditional route circling Byrne Elementary School and returning to Kennedy via Archer Avenue. Neighborhood children, mothers and businessmen lined the street to see the decorated cars representing the major organizations here at Kennedy- the band, majorettes, cheerleaders, Lancers, Invictus, Spanish Club, Kennedy Players, the Key Club, Concert Band, Chorus and H.E.R.O. A special appearance was made by Mr. Wiberg and his mini-car.

As a change of pace, this year's half-time activities were performed prior to the game. At this time we were entertained by the Kennedy band, cheerleaders, majorettes and the crowning of our 1985 Homecoming Queen-Jodi Skrezyna.

# *So Close But*

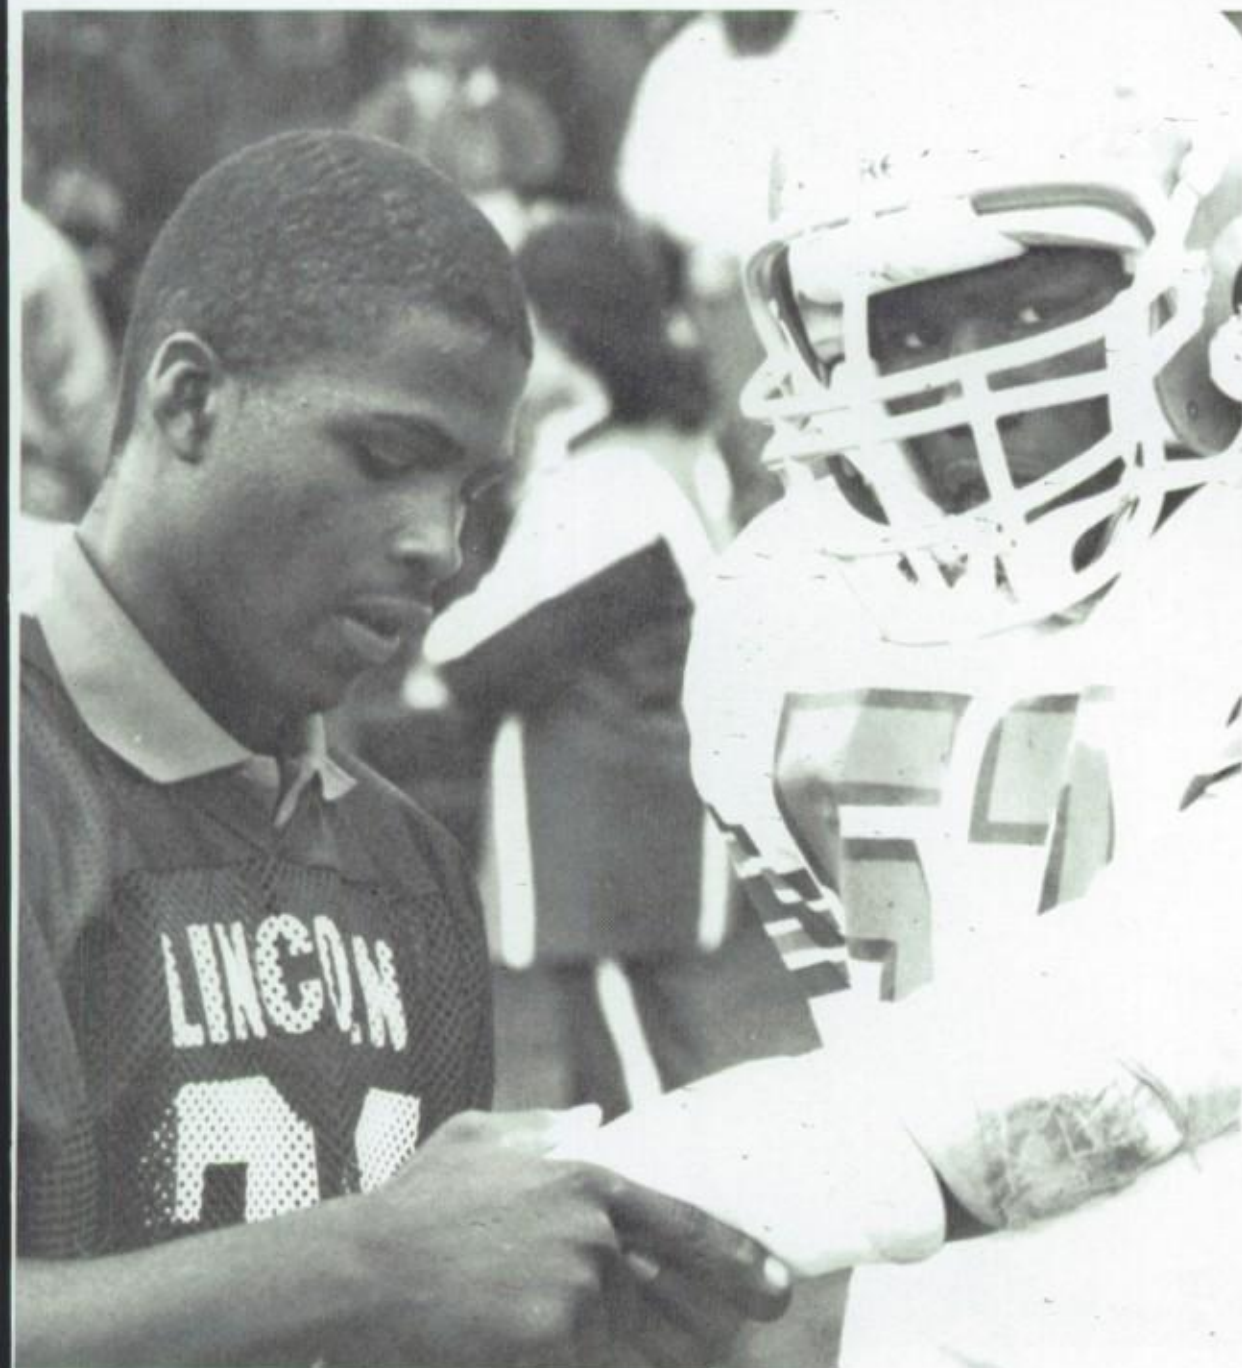

# Yet so far

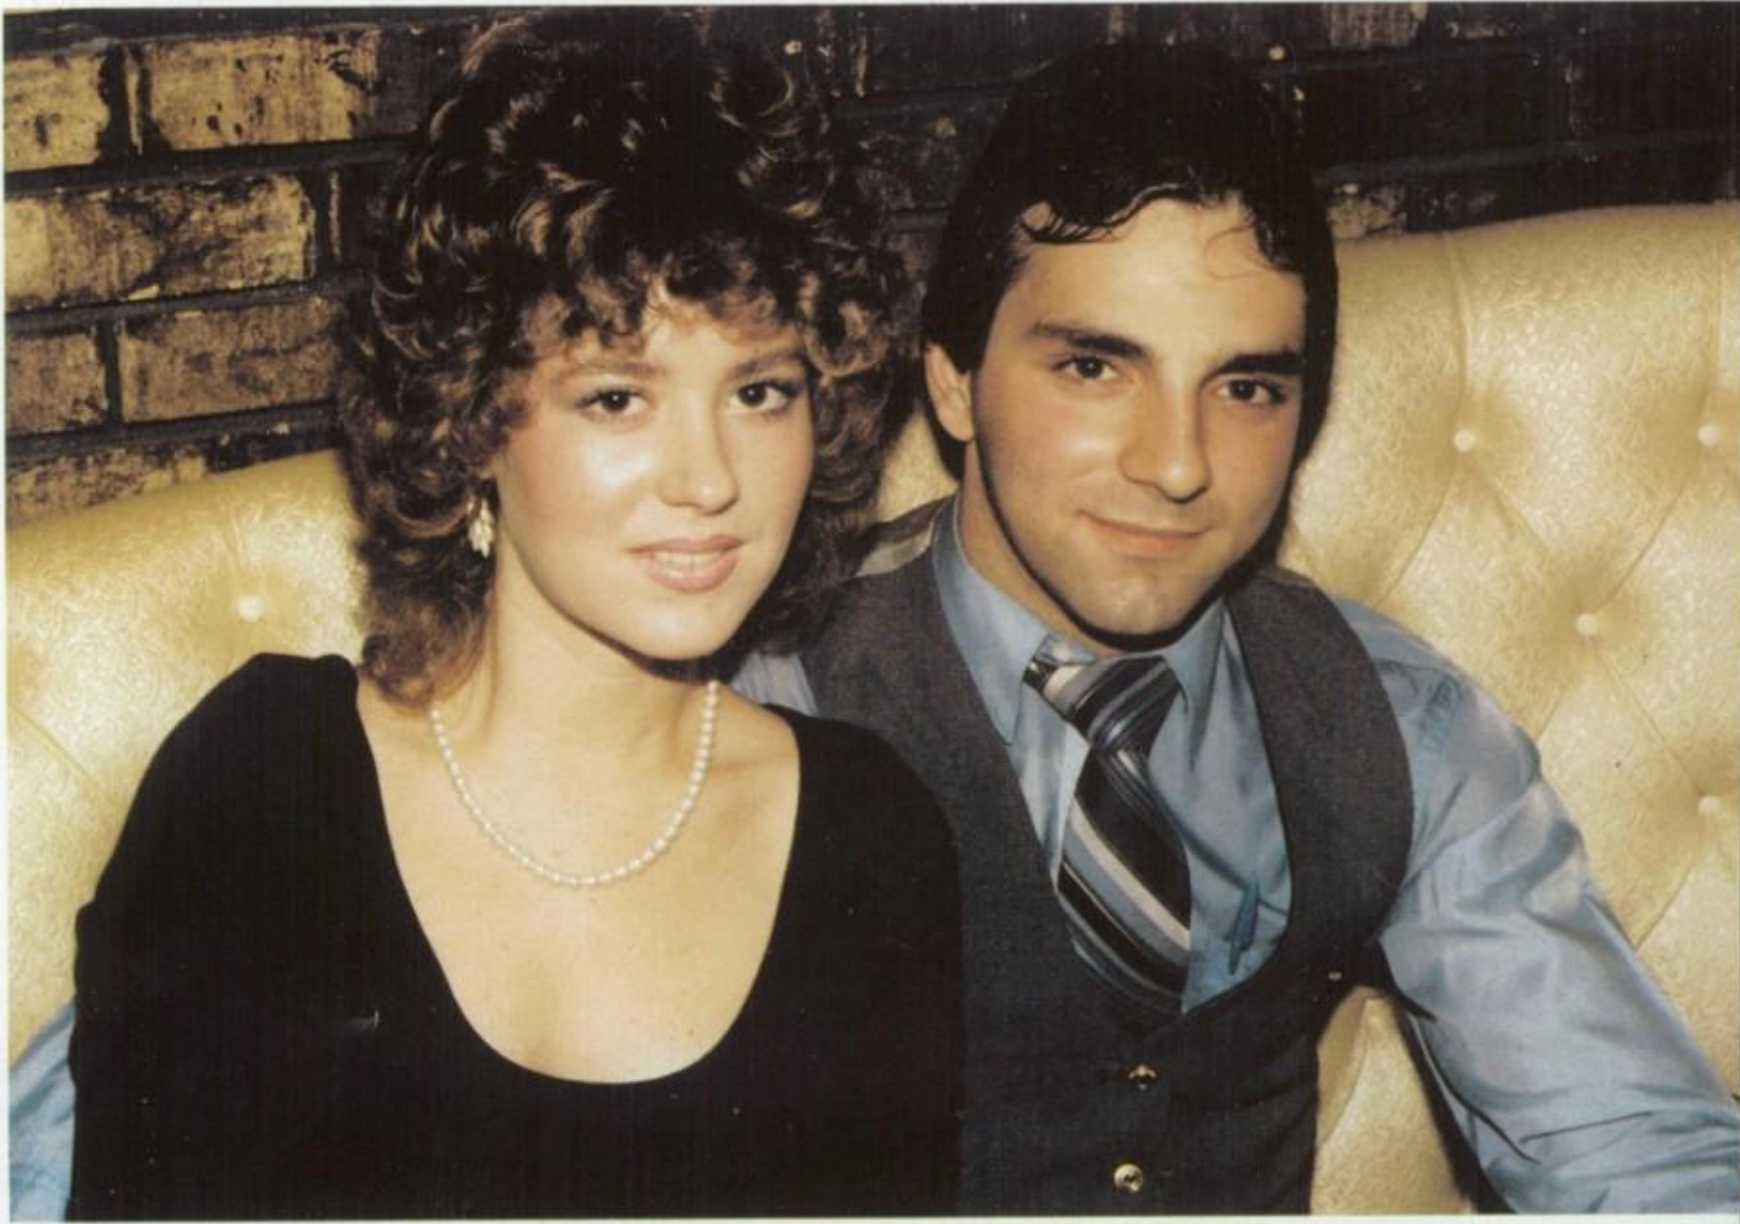

Our 1985 Homecoming game was played against Bogan at Rockne Stadium. Our defensive line dominated Bogan's offensive line. Lionell #20 caught a 42 yard pass reception. The game was almost a perfect success with the outstanding plays of Vincent Reese, Porfirio Galvez, Ron Bradford, Glenn Stallworth and Captain Lionell Clemons. Despite the uplifting spirits of the crowd, the mighty Blue-Cru failed to make the third consecutive Homecoming win. The game ended with 32-0.

# Homecoming 1985

The first Homecoming loss in three years did not seem to dampen the spirits of anyone who attended the dance. "Kennedy-At the Hop, Rock Around the Clock" was held on Friday, October 17, 1985 at Rick's. Here, Kennedy students found it easy to slip "Back in Time" and enjoy the 50's all over again.

Music for the dance was provided by Backstreet, a 5 piece band which was selected by the Homecoming Committee.

Congratulations to the Homecoming Committee for making this one of the most memorable Homecoming dances ever.

# To Wrigley

The Kennedy Baseball team had a fantastic season. They won 31 consecutive games, beating the previous record of 26, which clearly reserved a place for them in the play-offs. The play-off game was played at Wrigley Field, where Kennedy went up against Simeon. In this game Kennedy had 10 walks, and 3 hits- 2 made by John Gana and 1 by John Kawa. The final score was 5-0, and even though we lost, we are still incredibly proud of our team and their great season. CONGRATULATIONS!!

# One More Night

On Friday, April 26, 1985, the class of 1986 met at the William Tell Inn to celebrate the end of their Junior year. They danced the night away to many varieties of music. This was the first year that the prom had a DJ instead of the traditional band. The Junior Prom Committee consisted of all of the Juniors who went to the dance. The Junior Class officers were: Kevin Kimball, President; Kathleen Speck, Vice President; Jennifer Srbeny, Secretary; and Jason Rzeszutko, Treasurer. Ms. Griffin did a excellent job as sponsor of the dance.

The 1985 spring play, The Pajama Game, was directed by Mr. Patrick J. Butler. Student director for the play was Elizabeth Cullen, assisted by Jennifer Srbeny and Erin O'Donnell. Jodi Skrezyna choreographed the play, assisted by Jamie Skrezyna.

In The Pajama Game, Ms. Hasler, played by Dina Travis, is the owner of the Sleep-Tite Pajama Factory. The Sleep-Tite workers are negotiating for a seven-and-one-half cents raise. The play takes us step by step through the workers' struggle for their much-deserved raise, not to mention the budding romance between Sid Sorokin and Babe Williams, played by Scott Miller and Nancy Latka.

# The 49th Day

1

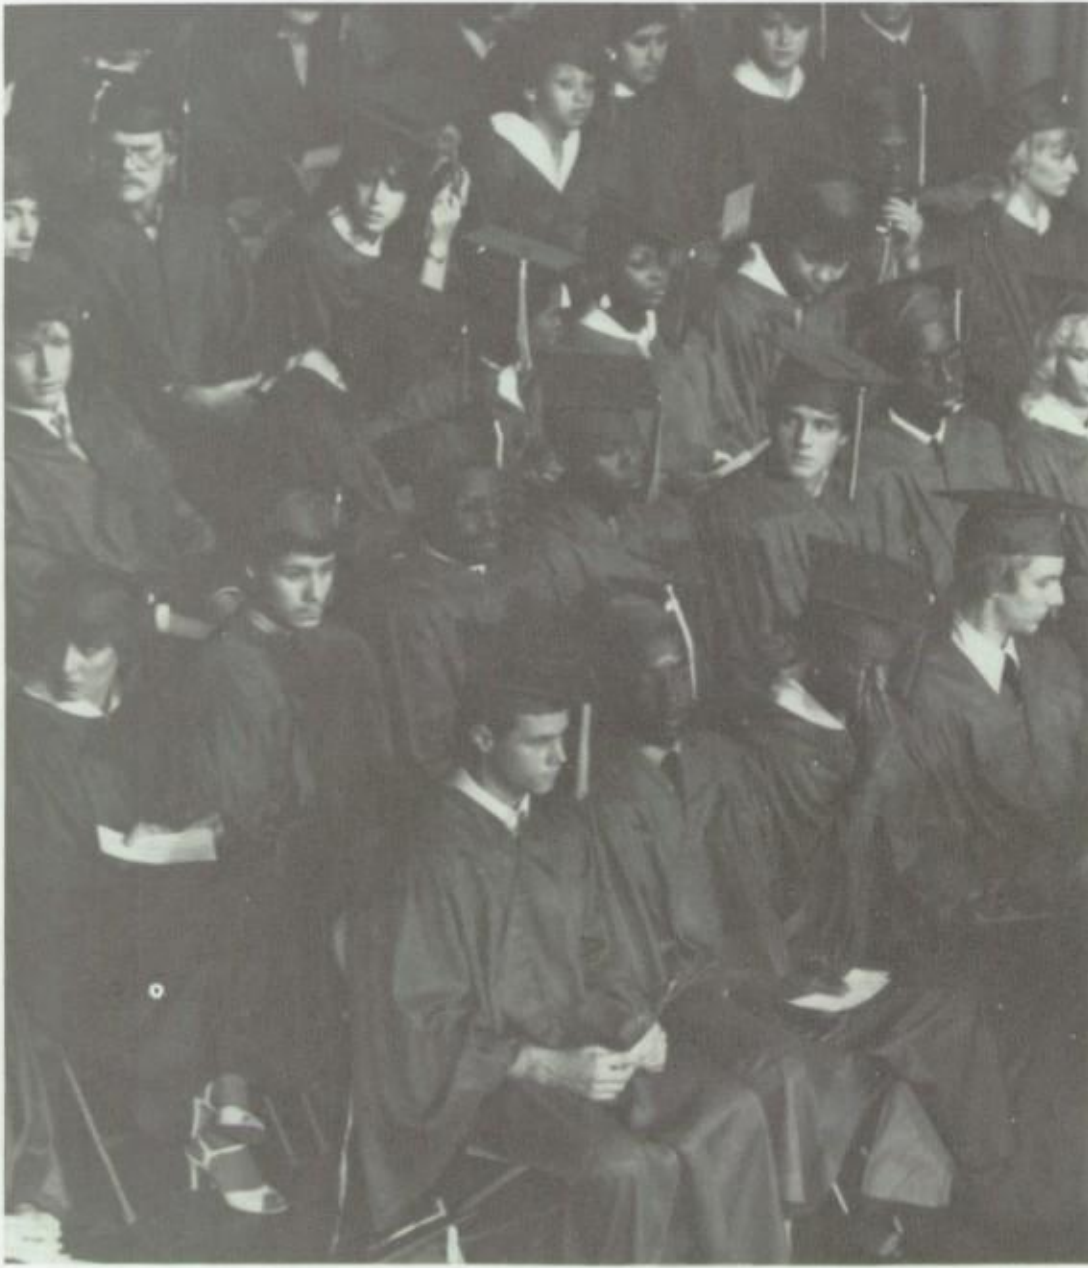

The Fall Play, The 49th Day, was written and directed by Mr. Patrick J. Butler. The Kennedy Players spent seven weeks developing their characters and trying to produce the emotions necessary to make the play a success. The play dealt with a terrorist hijacking of a plane, which is heard of so much these days. The Players' performance showed how frightening such an experience can be and how helpless people are in trying to survive. Even though it has been some time since the Kennedy Players have performed a serious play, their hard work and enthusiasm made the play a success.

# Do You Hear What I Hear?

1

The Future Homemakers of America and Hero class held a Christmas party at Kinzie Elementary School for the deaf children's department. Two years ago HERO held the same type of event. The day was celebrated with eating, drinking and visiting with Santa Claus and his elves. James O'Kane acted as Santa and Debra Miller, Cheryl Vimarco, Holly Finnstrom, Mary Timmons, Dawn Dante and Mrs. Javerlyn Foster were the elves. The FHA prepared cookies and cupcakes in class. They also gave the children cards and candy canes. Although the children could not hear, and the members of the FHA did not know sign language, a special type of communication existed between the groups. This communication was giving and loving.

# Cupid's Cotillion

1

This years Cupid's Cotillion dance was held at the William Tell Inn, on February 14, 1986.

The Cotillion is a very memorable dance, but because of the poor attendance, this dance is soon to be a lost and forgotten tradition.

Cupid's is sponsored by the Key Club and is directed by Mr. Pordugal.

On Wednesday, December 18, 1985 Kennedy was entertained by the melodious tones of the Concert Band, Orchestra and Chorus. This festivity was the annual Winter Concert. This year, in order to allow more students to attend, the concert was held during school hours. The concert was arranged and conducted by Mr. Ricci, Concert Band, Mr. Kober, Orchestra, and Mr. Hill, Chorus. The Yearbook staff would like to thank the Concert Band, the Orchestra, and the Chorus for adding to the cheer of the Christmas holiday.

# Let's Dance

During November, the Student Council, sponsored by Mr. Michael Pagliaro, held a sock hop. The sock hop was held in the boy's gym from periods 7-10. They had fruit punch for a refreshment.

The sock hop was to raise money for a scholarship. The D.J. was terrific and everyone had fun. The Student Council worked hard to make this event occur, especially the Student Council officers: James Periovoliotis, President; Dawn Minarcik, Vice President; Cora Scheer, Secretary; and Michelle Parr, Treasurer.

This is the second sock hop the Student Council has had. We would like to wish continued success for the future.

# Science Fair

This year the Science Fair was on January 22, 1986. There were many contestants. All of them had good projects, but only the best were picked to go to the District Science Fair. The winners from the local science fair were: Edwin Garza, Lori Derkiewicz, Danielle Ferone, Kevin Kimball, James Perivoliotis, Jason Rzeszutko, Glen Skouronski, Greg Smirnis, and Colette Zabin. The District Science Fair is held at Kennedy every four years. Kennedy has held the Local Fair for the past 24 years. The District 32 Science Fair was held in the Kennedy Library on February 20, 1986. The winners for the District 32 Regional Fair are: James Perivoliotis (Colonies in Space), Jason Rzeszutko (Commodore 64 as a Learning System), and Greg Smirnis (Application of Optical Phase Conjugation).

# Kennedy's Commander-in-Chief

Mr. Earl Bryant, our principal, enjoys his job very much. He especially likes the students and faculty, and rates Kennedy as one of the best high schools in the country.

He graduated from Tilden High School and went to Chicago Teachers College, University of Michigan, Ohio State University and Roosevelt University. He majored in education and administration. He had a very good education and had experiences as a teacher, coordinator, assistant principal, director and an elementary principal before coming to Kennedy. He was also involved in the Urban Teacher Corps and Teacher Training Program.

His advice to students is, "Whatever you choose to be, be committed to it. Give it one hundred percent. If you're not willing to give one hundred percent, then don't take the job."

# Freshmen Get the Kennedy Spirit

Our first Spirit Day was held on Sept. 24, 1985. It was a success in that it made the Freshmen more aware of all the club activities and sports so that more people joined clubs this year. Club members gave information to the visiting Freshmen in the gym and auditorium.

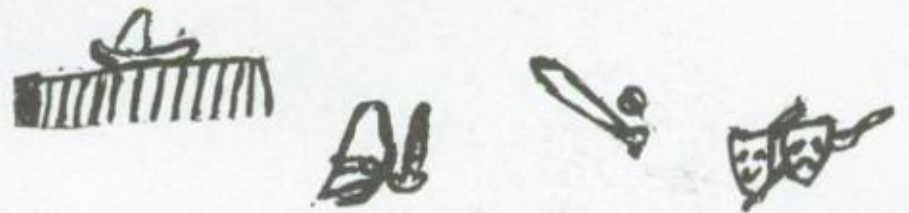

The winners of the display competition in the auditorium were: 1st. place, Spanish Club;(left) 2nd. place, The Kennedy Players;(below) and 3rd. place, Band. The winners in the gym were: 1st. place, Majorettes; 2nd. place, Volleyball; and 3rd. place, Softball.

Special thanks to Miss Nolan, for organizing this special day.

# Super Bowl Comes To Kennedy

THE BEARS

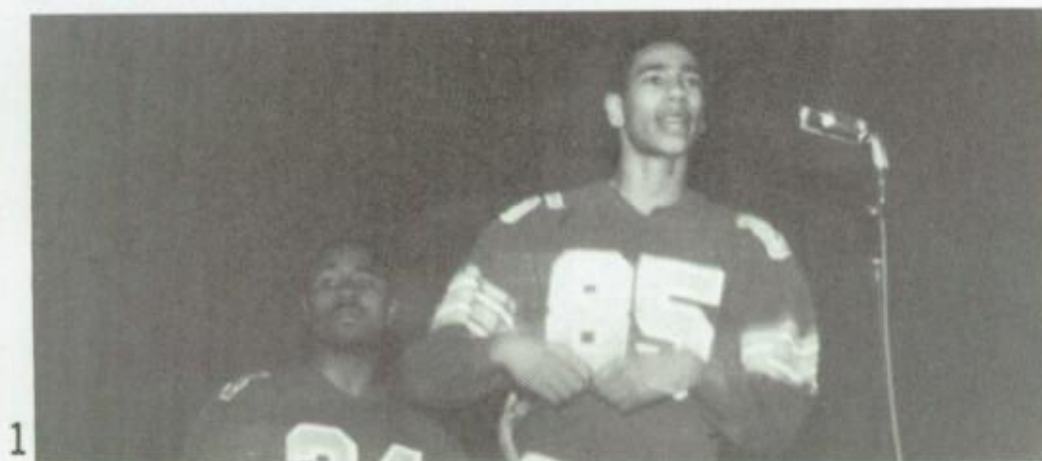

THE HONEY BEARS

AND THE REFRIGERETTES!

On January 24, 1986, Kennedy celebrated Super Bowl in a special way. A pep rally was held in the auditorium and the special guests were the Refrigerettes. These VERY lovely girls cheered and displayed their talents. Our own cheerleaders and majorettes posed as the Honey Bears and sang the Bear's Fight Song. The Crusader athletes acted as the Bears and did the Super Bowl Shuffle. The audience became so excited that they begged for an encore. The "Bears" shuffled once more. The pep rally was a complete success, and a great deal of credit is due to Miss Katherine Nolan for organizing the assembly, and to Mr. Patrick J. Butler for announcing. All of the cheering and praying paid off when the Bears beat the New England Patriots 44 to 10.

# *A Year in Review*

The '85-'86 school year has been one of violence, sadness and happiness. Take a trip to the past, one to the memory zone. In October the Achille Lauro was hijacked and Leon Klinghoffer, a wheelchair-bound tourist, was shot and dumped into the sea by four Palestinians. On November 23, Arab terrorists hijacked the Egypt Air Boeing 737 jet carrying 98 persons on an Athens to Cairo flight. Five people were shot, two of whom died, before Egyptian commandos stormed the plane. Fire swept through the cabin leaving fifty-eight people dead during the rescue attempt, most from smoke inhalation.

President Reagan and Mikhail Gorbachev meet in Geneva. Both said their summit talks were a good start toward better relations. Another Summit meeting is scheduled for the summer. Stock market bulls went on a rampage in 1985 as the Dow Jones Industrial Average broke through the 1,300 mark in May, crashed through 1,400 in November and stampeded past 1,500 in December. The Philippine's over throw President Marcos. Corazon Aquino takes over as President. Judge Reginald Holzer convicted of mail fraud, racketeering, and extortion. He has been sentenced to 199 years in prison. The school board got a new district 32 superintendent, Grady Jordan.

One of the most tragic happenings this year was the space shuttle explosion killing all seven people on board, including Krista Mc Cauliffe who was scheduled to be the first teacher in space. This is the second crew fatality in NASA history. Actor Rock Hudson dies in his sleep of AIDS.

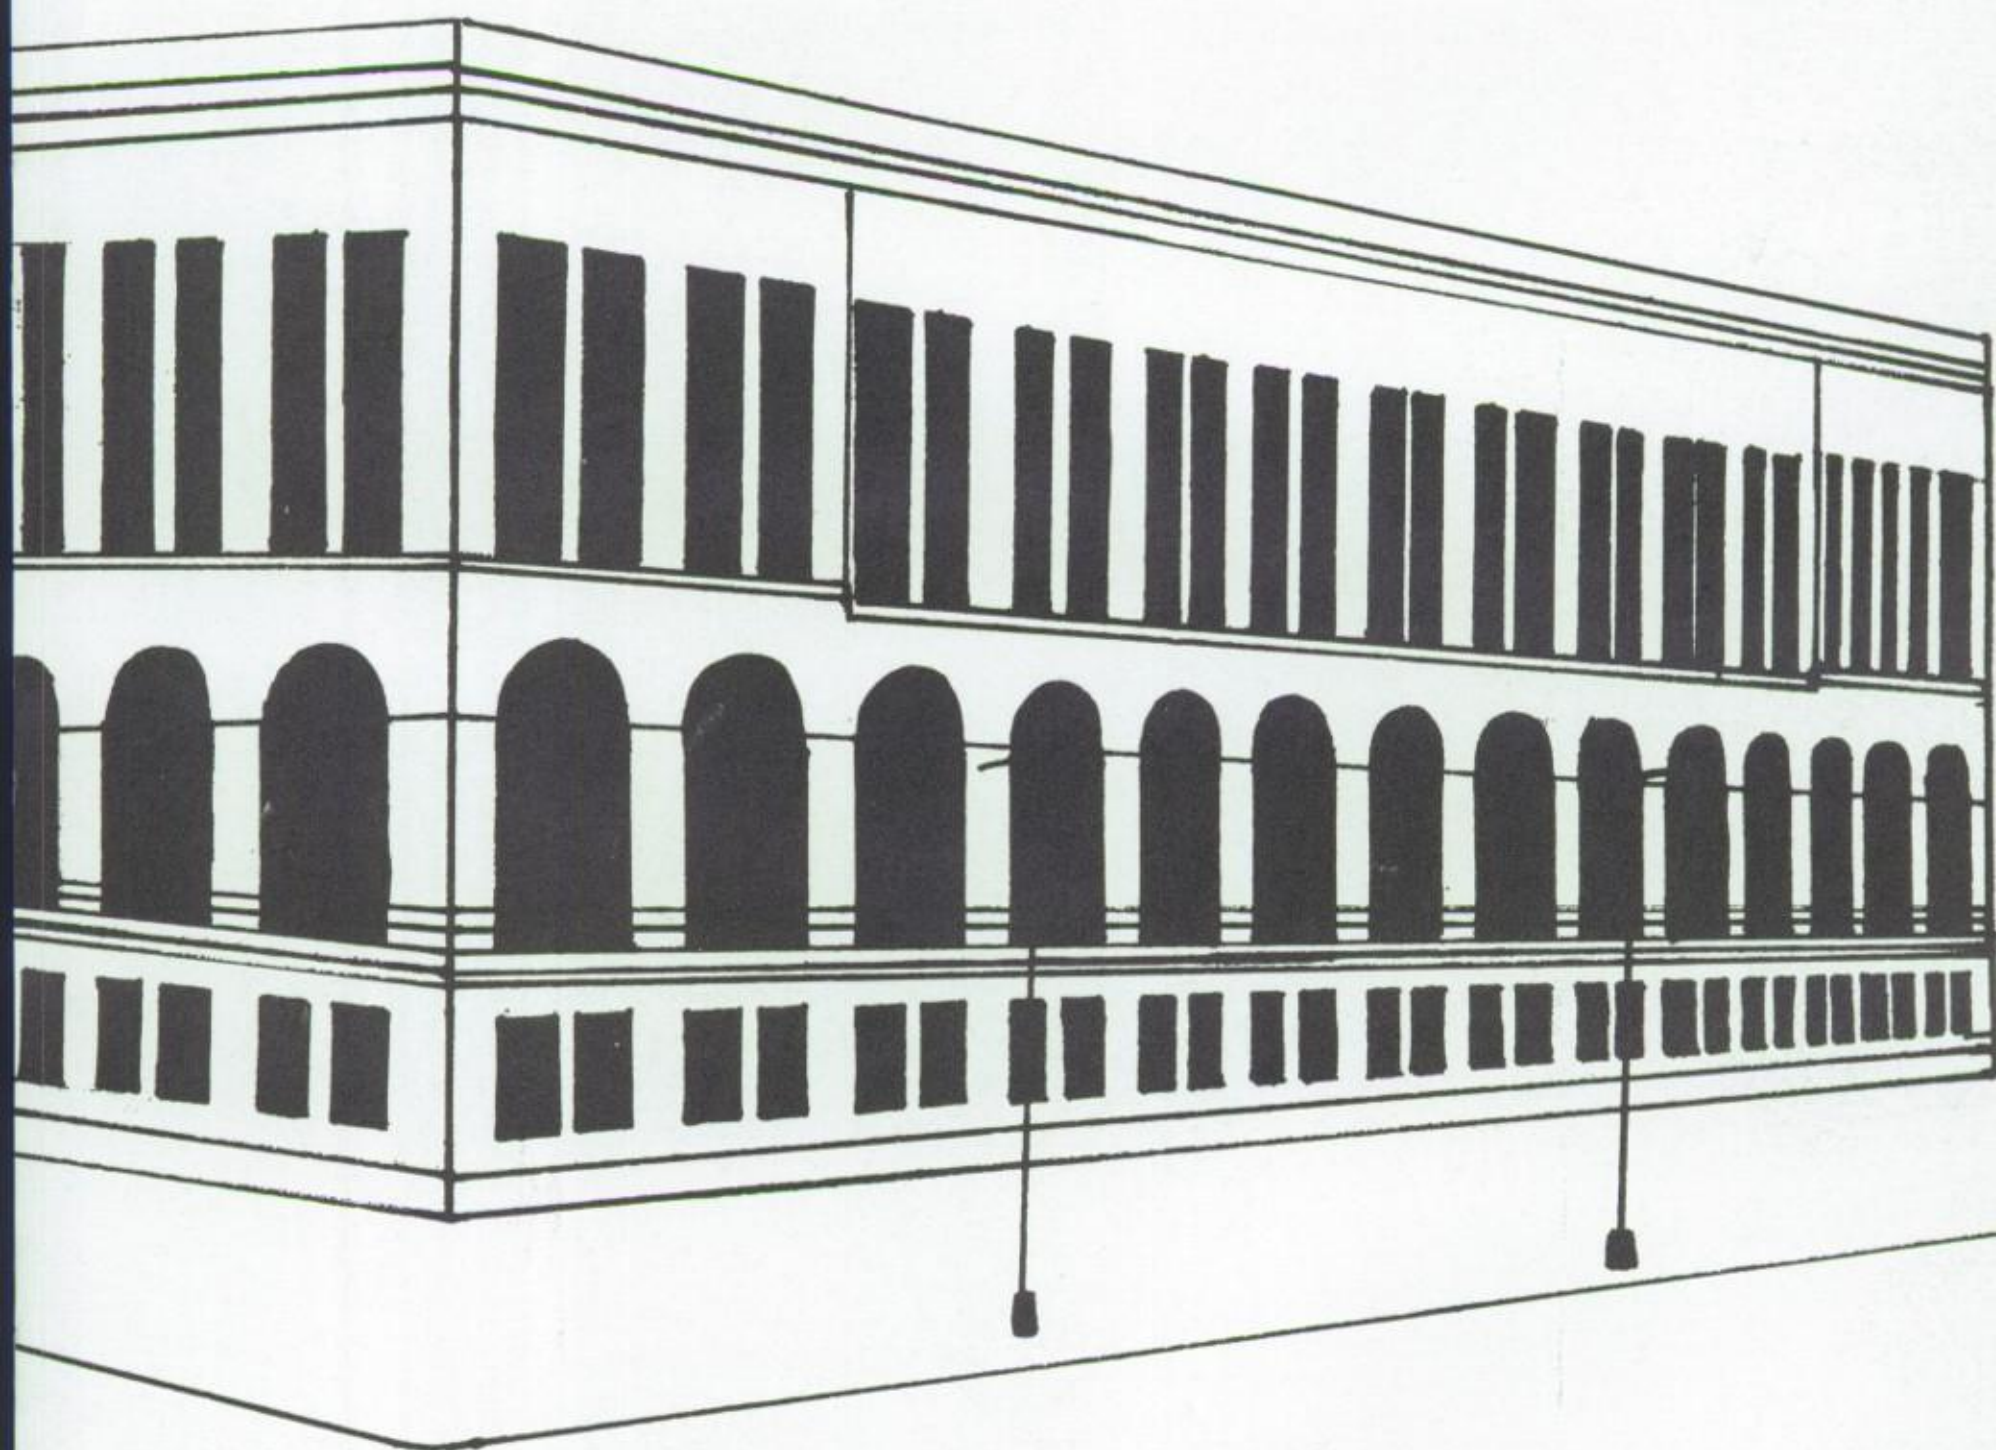

Lady Diana and Prince Charles visit the U.S. While at the White House Lady Di dances with John Travolta.

Kennedy's Varsity Baseball team made it to the final four with a 30-1 record. Losing only to Simeon at Wrigley Field. Girl's Bowling took second in City and sixteenth downstate in Peoria. White Sox pitcher, Tom Seaver, won his 300th game of his career. Kansas City Royals defeat the St. Louis Cardinals in game six to win the World Series. Chicago Bears defeat the New England Patriots 46-10 in Super Bowl XX to become World Champions.

In Music Bruce Springsteen was selected Artist of the Year. The Band of the Year was U2. Popular songs were We Are the World, Money for Nothing, Glory Days and Shout.

The Student Council, sponsored by Mr. Michael Pagliaro, has helped J.F.K. for many years. The Student Council president is Jim Perivoliotis.

The Student Council raises funds for the neediest children's fund, and other charitable events. To raise these funds, the Student Council has worked hard preparing and hosting the Sock Hop and the Christmas party. Other events include the installation of officers breakfast.

Other than hosting these events, the Student Council also receives complaints and suggestions from other students to help improve the school.

The president, James Perivoliotis, studies an idea.

# The Kennedy Players: Chicago's Best

The Kennedy Players, sponsored and directed by Mr. Patrick J. Butler, is a very special group at Kennedy. They put on two plays a year, and one is a musical. Rehearsing, putting up sets, directing, and dancing are just some of the many things that these people do every day. The Players are very devoted. To them, experiencing the nights of the play pays off for all of their hard work.

Every year members of this club fill pinatas made by Spanish I students, and send them to the Red Cross during the Christmas holidays. On Valentines day a flower sale is held, and Easter baskets are filled and sent to senior citizens in a convalescent home. This year's International Festival, held before Christmas break, was a special occasion because the Spanish Club raised \$450 for the Mexican Earthquake Relief Fund, and \$200 for the Colombian Volcano Victims. The money was raised through previous bake sales. The club completes the year with a picnic in June and a banquet where the new officers are inducted. Officers for the 1985-86 year were: Cathy DeVivo, Pres.; Lisa Kirk, Vice-Pres.; Joy Lingevidh, Sec.; Laura Kaliszewski, Treas.; and Cora Scheer, Public Relations.

# Lancers

The students and faculty that make up the Kennedy Lancers do more than just ride horses. They make up a great part of our homecomings and are one of the main highlights to see. Their activities center around horseback riding and every year they go on camping trips. For several hours they ride in the saddle and spend the night in a tent in a national or state forest. As you can see, the Lancers do more than just "horse-around!".

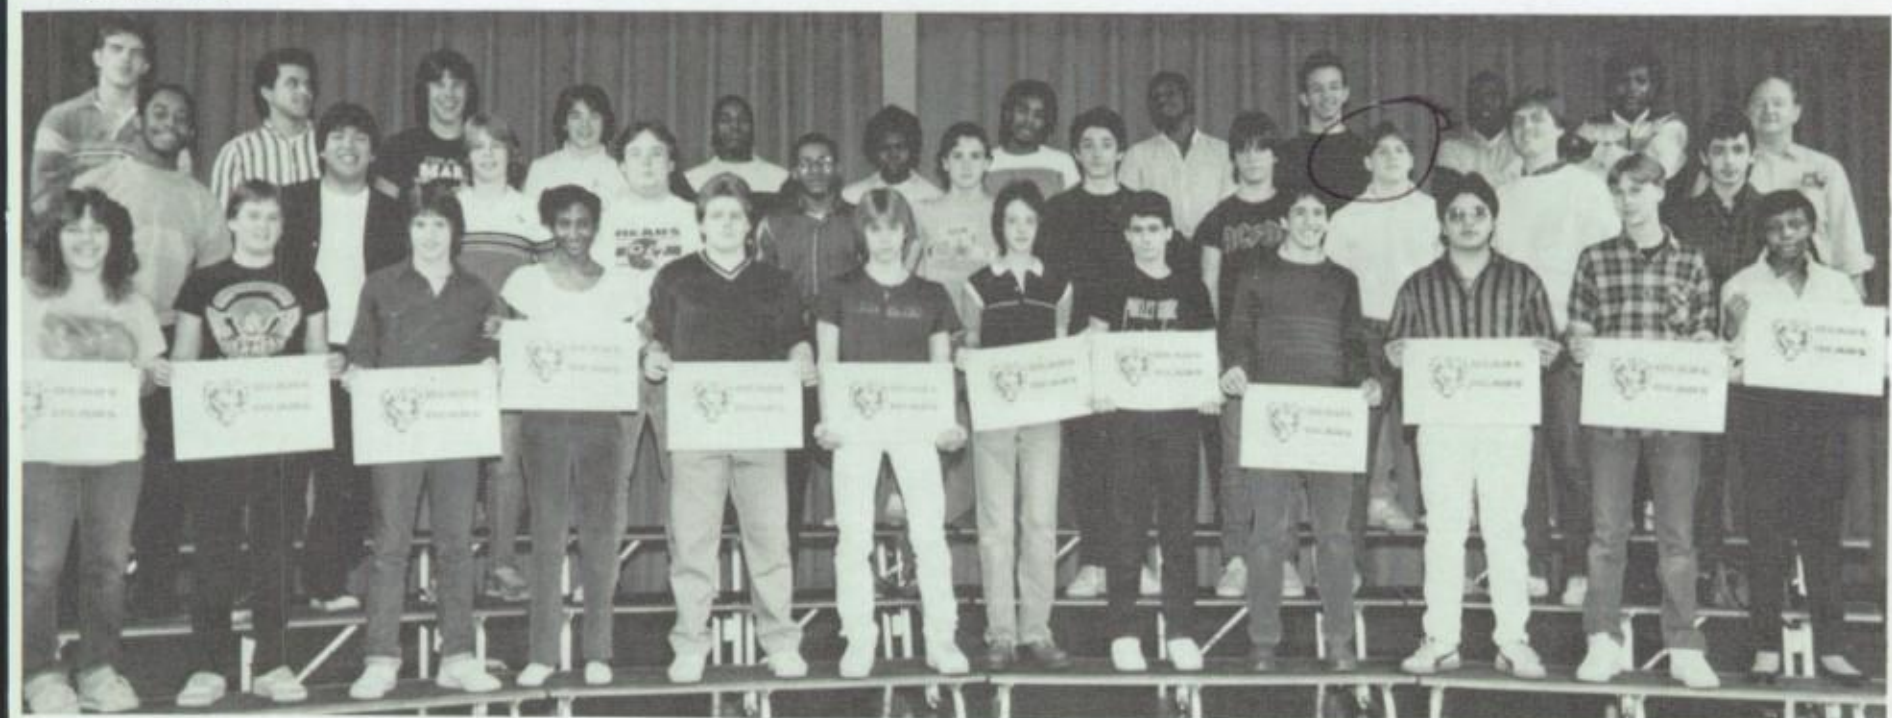

# Chess Club & Print Club

The Chess Club, sponsored by Mr. Ralph Witkovich, is an organization which teaches students the correct strategy involved in learning to play the difficult game of chess. The object of the game is to capture the opponent's king through check-mate. Playing chess takes up a lot of time and concentration but its not impossible to master

The Print Club is a very important organization to the school. They print the play and sports tickets, dance bids, booklets, posters, the Student Council's monthly newsletter and T-shirts. The school appreciates all the student's hard work. The students work with Mr. Lyman, the sponsor, with all types of printing machinery, forms of photography, screening procedures and type settings. They have also won many awards.

# Aids

Student aides are vital to the smooth running of Kennedy High School. The library aids help by collecting fines, shelving books, and taking attendance. The office aids sort mail and deliver messages. Attendance office aids file cards, write admits, record tardies, and give out early dismissals. This school depends on these students a great deal.

Pictures 1: Sharon and Kathy take a moment from their fighting to pretend like they get along with each other. 2: Joe says, "Hurry up Greg, otherwise I'll have to do some work." 3: "Mr. Begy, can you sign me out of 7th period?" 4: Patty sorts through the pictures. 5: But is that an assignment board? 6: Tom works intently on his artwork. 7: Steve pledges allegiance to the Invictus staff. 8: Mr Begy takes a moment out to relax.

# for a Memory

Being a member of the Invictus Yearbook Staff brings many triumphs and frustrations. So many things must be done, and in such little time. Taking pictures and more pictures, figuring out what to put on each page, and typing and printing copy on the word processors, are some of the many jobs. What is really annoying is when the printer breaks down or a disc crashes on the day of a deadline. Getting ads and selling yearbooks are sometimes just as hard to do as all the rest. A yearbook member must have the qualities of a photographer, jigsaw puzzle solver, secretary, computer programmer, repairman, salesman and a patient person. But all of these trivial aggravations diminish when a set of proofs or a stack of photographs come back. To see a job well done has an immense satisfaction that can not be expressed; only felt. Out of all the satisfactions that a yearbook member will appreciate and remember most is when the yearbook is complete. To a yearbook member that book is like a seed. It started out with a few small ideas and bloomed into a book that will be looked at several years from now and will always be cherished.
